EDMC'S FOCUS *for* APRIL TO JUNE

- MINISTRY DEVELOPMENT CENTRE -

As we celebrate the **one year anniversary** of the Ministry Development Centre and the growing impact it is having here in the Dominican Republic, we continue to plan for the future. We are keeping our focus on the vision to provide a facility that will provide a place that has space for **every type of local ministry** to use. We are looking to add the next building from the original plans to increase accommodation space. This footprint for this building will look like the first dorm building on the outside. However the layout of the inside will have three individual rooms with their own private bathroom on one side of the building, as well as a two bedroom apartment with kitchen and living room area on the other side. With your help, we will be able to complete this building in 2025. Goal 140,000 USD

- L.E.A.D. (leadership equipping and developement) -

Equipping nationals pastors and leaders is the heart of the ministry. Over the last **20 years** we have consistently provided teaching, training, theological resources, and pastoral care. **When you equip and empower one local pastor you not only change his/her life, you in turn impact hundreds of people in their community for Christ.** Laying a firm foundation of strong biblical instruction allows the local church to grow and become effective in the reaching people for Christ, discipling them and preparing them to become leaders in evangelism and missional service. With your help we can continue to **invest in the lives of hundreds of pastors** from multiple denominations to fulfill the vision God has given them for their church, community, and nation. Goal 10,000 USD to equip local church leadership

- GENERAL FUND -

On a weekly basis, pastors contact us for help with unexpected needs. Our ability to respond to these needs depends on the **General Funds** available to us at the time.

The needs we are most often asked to help with are (*but not limited to*) - emergency medical needs, food, building repairs, ministry vehicle repairs and multi-denominational outreaches.

By donating to our General Fund, we are able to respond to these needs quickly.

Donations can be made through PAOC, CanadaHelps or EDMC
