MINISTRY

MOMENTUM partners minister in a variety of ways - construction, kids ministry, church ministry, mens/womens ministry, conferences, community blessings, leadership seminars, specialized teachings, etc. Every partnership seeks to foster healthy, long-term relationships between churches, communities and leaders - to inspire and equip individuals to engage in missions, service, leadership and discipleship beyond a single trip - and to join in the work God is aleady doing locally and globally. All ***MOMENTUM*** partners will follow one, pre-determined, minsitry schedule.

ACCOMMODATIONS

Our partners are hosted in our dorms at our new Ministry Development Centre on 27 acres of land, just outside of Nagua.
